සතිය- පළමු සතිය

ලිපිනය - 9 ශ්‍රේණිය

Prepared by-

It is your responsibility to engage in academic activities while doing all the revisions related to every subject.

- You are given a week to complete this activity.
- Prepare a separate folder and attach your activity document after naming it as “**Second Week – ICT – Your Name and Grade**”.
- Please refer 32 and 33 pages in your reading book before you answer the following questions.

01. Briefly discuss the control structure with repetition.

02. Identify the problems with control structure with repetition and tick (✓) the check box in front of that problem and cross (x) the check box of the problems without control structure with repetition.

- Passing the students who have obtained 50 or above as the average mark of all the subjects in the term test.
- Crossing the road from the zebra crossing.
- Calculating the area of a square.
- Printing the whole numbers less than 10 one at a time.
- Making a kite.

03. Choose the answers for the following flow chart with control structure with repetition from the given box which is having the suitable answers.

Problem – Printing odd numbers between 1 -20, one at a time.
