

## Unit 3 - Word Processing

Write the names of the correct tools which were used for alignment and positioning to create following document.

Save Trees, Save Mother Earth

Save trees and protect Mother Earth from global warming. Don't destroy the greenery and don't spoil the scenery. Save Mother Earth.

Things to do...

- 1) Plant a tree and get air for tree
- 2) If you cut a tree you cut your lives
- 3) The tree is your friend
- 4) Feel free to plant a tree
- 5) Trees are the roots of all living beings
- 6) A tree that stays, keep flood away

1. Protect trees
2. There is no life without Green
3. Take care of trees, they will take care of you

Connecting people to Green
