

***Activity one:**

1. Study the blue box on “Making Compost” in your Pupil’s Book –page 46. Find out the meaning of following words by referring a dictionary.

Words- **cage, coconut fronds, moisture, regularly, inoculants, increase, decomposition**

***Activity two**

1. Study the pictures on page 44 and page 45 properly and try to match them with the utterances on the page 46 of your Pupil’s Book.
2. Find the key words (Eg: finally, then.....) which helped you to match the pictures with the utterances. Now write them in your exercise book.

***Activity three**

1. Try to read the role play on the pages 49 and 50- Pupil’s Book.
2. List down the characters of the role play.
3. Read the role play for the second time and complete the following grid.

Name of Lahiru’s friend	Where do they live?	How far is it from Nagoya to Sri Lanka?	How long will it take to travel from Nagoya to Sri Lanka?

4. Read the dialogue for the third time and try to answer the questions given in the page 50.

5. Now fill in the blanks of the following passage.

Lahiru’s..... is Kenta Akimoto. Akimoto family is.....to
..... It is6500km from.....to..... The
journey will take about.....and a half hours. They are.....a direct
flight to
