A Happy Child

My house is red - a little house;
A happy child am I:
I laugh and play the whole day long,
I hardly ever cry.

I have a tree, a green, green tree,
To shade me from the sun;
And under it I often sit,
When all my play is done.

Europe has four seasons; they are Spring, Summer, Autumn and Winter.

In spring, it is warm and wet. Trees and flowers start to bloom. In summer,

it is hot and sunny. People usually go on holidays in this season. In autumn, it is cold and foggy. Trees lose their leaves. In winter, it is very cold and it snows. People have to wear thick clothes.

Different from Europe, most of the tropical countries have two seasons only. For example, Indonesia has two seasons; rainy or wet season and dry season. In rainy season, it is cool and humid. It almost rains every day. People have to bring umbrella and rain coat in this season. In dry season, it is hot and dusty. It is difficult to find water in this season.
