

1. Recall your knowledge on the simple present tense passive voice by converting the following three sentences in to passive voice.

- My sister washes her clothes.
- Our teacher writes the topic on the blackboard.
- Binuthi cuts vegetables.

Study the following example.

### Formation

Object of the active voice sentence + was / were + Verb (Past participle)+  
by+ subject of the active voice sentence

For further clarifications study the following table.

Active voice sentence	Passive voice sentence
Nalini cleaned her room	Her room was cleaned by Nalini.
They published their first book.	Their first book was published by them.
She washed all the pots.	All the pots were washed by her.
