REVISION LESSONS

(1) Study the examples given in page 112 for SVO sentences which can be turned into passive and write five sentences using the same pattern.

(2) In which type of reports are the passive voice sentences used ?

(3) What are the words we should omit in passive form when writing reports? Study the example given in Language focus to support your answer. Why ?

(4) Using your knowledge, do the question number 2 on page 113.

- b) Write your own examples for SV,SVC and SVO sentences.
- (5) Study the sentences given under SVOO sentences.
- (6) What are the special features you have identified?
- (7) How many objects are there in those sentences?
- (8) Study the example to get a clear idea about **SVOO** sentences.

- (9) Study the table given on page 113 to get it clarified.
- (10) What are the verbs that often have two objects?
- (11) How many ways are there to change SVOO sentences into passive voice?

What are they ?
