Reading – Activity 03

Read the poem and answers the questions.

## <u>Education</u>

For some it is a privilege

For others it's a right

The difference between darkness

And a future that is bright.

Some will think a burden

Where others see as a gift

The key to moving forward

And to give your life a lift.

If school is not your calling

Look beyond its doors

The world can be a teacher

Many adventures are in store.

As long as you are learning

Your education grows

That will lead to contributions

As you share the things you know.
