Re -write the following paragraph using capital letters where necessary.

Use capital letters

- to begin a sentence
- for proper nouns
- in titles
- in addresses
- for days and months

yesterday, my mom and i went to the theatre to see the movie a wrinkle in time. i did not know that so many people went to the movies on a saturday. the place was full. for a small town like syracuse, it was surprising. after the movie, mom and i went to eat at denny's. it is a family restaurant where children eat for free on saturdays. today was my lucky day! after dinner, we went to the bookstore and i bought a new book, the hobbit. maybe, after i read it we can see the movie. when i got home, i wrote in my diary: saturday, march 22 was a great day!
