2.2.4 Let's dispose Electronic Waste Safely

.....

.....

All computer hardware is considered as electronic waste when they become out of use or when the user discards them.

Read page 22 of the reading book and answer the following questions

(01) Write down 5 types of heavy metals released into the environment by electronic waste..

.....

.....

(02)	Name 5 diseases that can be transmitted to humans due to electronic waste.
(03)	What is the accepted method for safe disposal of electronic waste?
