Making a presentation

Activity 1:

- A presentation consists with three main parts. What are they? (Study the pages 124 & 125)
- What are major parts that should be included at the beginning of a presentation?
- Complete the given grid in page no. 124
- Write some phrases that can be used to wind up/conclude a presentation.

Examples for the conclusion

- × Ok. Now we come to the end and I would like to summarize the things I present on history of vaccines. Today we talked about the story of first vaccine, then we moved to the initial problems with vaccine and finally we discussed how vaccines became established in healthcare.
- × So before winding up the presentation if you have any question regarding this, please ask now...
- × Ok. I hope you learned regarding vaccine history and enjoyed the presentation.
- × Thank you very much for listening.

Activity 2:

Make a five minutes presentation on “How can we prevent the spread of Dengue”. You should include some visuals in your presentation. You can use power point slides, hand- made posters or a model.
