Collective Nouns

Look at the following collective nouns.

A herd of buffaloes, A gang of workmen

How can we convert these collective nouns in to plural???????

1. Remove the article "a" which denotes "only one"
2. Make the group noun plural

A gang of workmengangs of workmen

Now convert these collective nouns in to plural.

- A flock of birds
- A swarm of bees
- A brood of hens
- A kennel of dogs
- A forest of trees
- A galaxy of stars
- A band of men
