10, Kandy Road,
Kiribathgoda.
25th May 2016.

Dear Sampath,

Hope you are keeping well and studying hard for your examination. I thought of writing to you to tell you about my new class. I like our class teacher. She always comes to school on time and she is smart too. My best friend is Ajith. He is tall like you and he is very helpful and kind to others. Chanaka who sits next to me is also kind but he is very jovial and makes us laugh all the time. I think he has grown fat by laughing. He is not very tall. There are thirty-five children in our class. I miss all of you. Shall write again later.

Your loving friend,
Ranjith

Assessment

Read the following passage about India and complete the data sheet given at the end.

India is a great country where people speak different languages but the national language is Hindi. India is full of different casts, creeds, religion, and cultures but they live together. That's the reasons India is famous for the common saying of "unity in diversity". India is the seventh -largest country in the whole world.

India has the second- largest population in the world. India is also known as Bharath Hindustan and sometimes Aryavart. Tiger is the national animal of India. Peacock is the national bird of India. Mango is the national fruit of India. "Jana Gana Mana" is the national anthem of India. "Vande Mataram" is the national song of India. Hockey is the national sport of India. People of different religions such as Hinduism, Buddhism, Jainism, Sikhism, Islam, Christianity and Judaism live together from ancient times. India is also rich in monuments, tombs, churches, historical buildings, temples, museums, scenic beauty, wildlife sanctuaries, places of architecture and many more. The Indian rupee is the official currency of India. The Indian flag has tricolors, Saffron, White and green. It is a land of great leaders and freedom fighters.
