For dinner my mom is cooking pizza! I watch her while she is making it. Her small hands pick up the big bag of flour and she tips it into the red bowl. She mixes it in some warm water, a pinch of white salt and a packet of yeast. I watch as she mixes the sticky dough together and then kneads it on the clean tabletop. Next, she shapes the dough into a big circle and spreads on the fresh, red tomato souse. I ask if I can help, and she lets me sprinkle on the dried herbs from the tiny jars. Really, it is a fun job.
