Masculine and Feminine Nouns

Grammatical gender is a system of noun classification.

- **Masculine nouns are words for men, boys and male animals (Eg: father, landlord, mare)**
- **Feminine nouns are words for women, girls and female animals (bitch, queen, mother)**
- **There are nouns which do not fall into both the categories. They are called the gender neutral. (grandchildren, students, people)**

Now copy the Activity 15 on page 72 in your exercise books and complete.

Activity 5

Draw a similar table and make a list of nouns that you can find. Make your list as long as possible.
