- *It is your responsibility to engage in academic activities while doing all the revisions related to every subject.*
- *You are given a week to complete this activity.*
- *Prepare a separate folder and attach your activity document after renaming it as “July-4<sup>th</sup> Week-ICT-Your Name and Grade”*

**Revision Activity**

- You have studied the basic facts that you need to consider when buying a computer, during the first unit. The following people have decided to buy computers for their own purposes. Write down your instructions for them.
- If they need to buy other peripheral devices besides the computer, mention them as well.

1. A grade 6 student wants a computer for academic purposes.

2. One of your brothers has decided to do a job after following a course on graphic designing.

3. A shop owner decides to buy a computer to keep records on income and expenses.
