(August 2011, Colombo, Daijy News)

A baby zebra was born yesterday in Sri Lanka's National Zoo in Dehiwela after 17 years. The zoo authorities announced.

The baby was born to a zebra couple brought to Sri Lanka in 2008 from Xiangjiang Safari Park of China. The mother and father are around 5 years old now. The baby is in good health, the zoo sources said. There are 5 zebras in Dehiwela zoo now with the newborn that is expected to be an attraction of the visitors to the zoo.

1. Name of the animal	
2. Month of birth	
3. Place of birth	
4. The country of baby zebra's parents
