Subject : English

Week : Three (February)

Grade : 9

Prepared by : Nivithigala English Unit .

Either ... or / Neither nor

Either / or : used in a sentence in the positive sense when we refer to a choice between two possibilities.

Eg: We can *either* read *or* watch television.

Neither / nor : used a sentence in the negative sense when we want to say that none of the choices are possible. (not happening)

Eg: *Neither* my sister *nor* my brother is married.

***(If both elements are singular, then the verb is singular too)**

***(If one of the elements is plural, then we have to use a plural verb)**
