Lesson : Writing/Revision point (Pages 106,107 & 108)

Workbook (Pages 103)

Competency level : 7.5 (Writes simple compositions on different types of topics)

4.2 (Uses terms referring to young ones of animals appropriately)

4.7 (Uses nouns, verbs, adjectives and adverbs appropriately)

Activity 1

Turn to page 106 and 107. You will find some information given about Bermuda Triangle. Read the information carefully.

Find the meaning of the following words. You may use a dictionary.

a. mysterious
b. investigations
c. consistently
d. deliberate
e. hurricanes

Activity 2

Read the information again and write a description on the Bermuda Triangle. (Activity 6)

Activity 3

Under Activity 7 there are two topics for a debate.

Read the topic and write down points to debate in your classroom.

Use the following tables.

Crop circles are created by aliens	Crop circles are **not** created by aliens

Bermuda Triangle is a mysterious place	Bermuda Triangle is **not** a mysterious place

Activity 4

Page 108 Revision point

- You are given a list of animals and the young ones. Complete the task.
- Workbook – Page 103, Activity 6

Activity 5

Workbook Page 103 – Activity 5

We have done a lot of activities on verb forms. Revise your previous activities and complete the activities under activity 5.

Activity 6

Now turn to page 108 (Activity 8) of your Pupil's book.

You will find a picture which Dev had with him.

Study the picture carefully and write a short description about the picture. State what is special about the picture in your description.
