He covered his eyes with a piece of cloth and went to the Jambu tree with his hands clasped behind his back. Then he ate all the Jambu fruits that came near his mouth.

On that afternoon, the king saw that some Jambu fruits were missing. He asked the palace guards to catch the thief.

On the next day Andare went to the Jambu tree with his eyes closed and his hands clasped to his back as yesterday. Then the guards caught Andare and brought him before the king. The king said that he was going to punish Andare for going against the rules.

Then Andare said he ate the Jambu fruits without touching or looking at them as the king has ordered. Then the king asked him to show him how he ate the Jambu fruits.
