

Department of Education, Sabaragamuwa/weekly school

week- August 4

Subject-Business Studies

Grade-12

Prepared by -
Zonal Education Office, Rathnapura.

1. (a) Shalika and Nalika are two graduate teachers in the same age. They have purchased two life insurance policies from one insurance company under the agreement of deducting the premium from their monthly salaries. But the insurance company has deducted different amounts from their salaries. What are the main reasons that would have caused this difference?

(b) Several projects were initiated recently to renovate the road network in Sri Lanka. Can we expect an overall growth in the transportation system through these renovations.
2. Farmers sell their vegetables and fruits from their farms to special economic centres and the wholesalers distribute them all over the country.

(a) Name four factors that should be considered in distributing vegetables and fruits in a safe manner.
(b) What are the strategies should be implemented in warehousing and distributing vegetables and fruits in special economic centres?
3. Sarith is an owner of a garment exporting business. Write the exporting process that he should follow.
