- It is your responsibility to engage in academic activities while doing all the revisions related to every subject.
- You are given a week to complete this activity.
- Prepare a separate folder and attach your activity document after renaming it as **"Eighth week – ICT – Your name and Grade".**
- Refer 70th – 75th pages in "Computer Network "lesson in the reading book for answering.

1) Write the 4 basic devices required for computer networking.

2) Name A , B , C , D , E in the following Computer Network
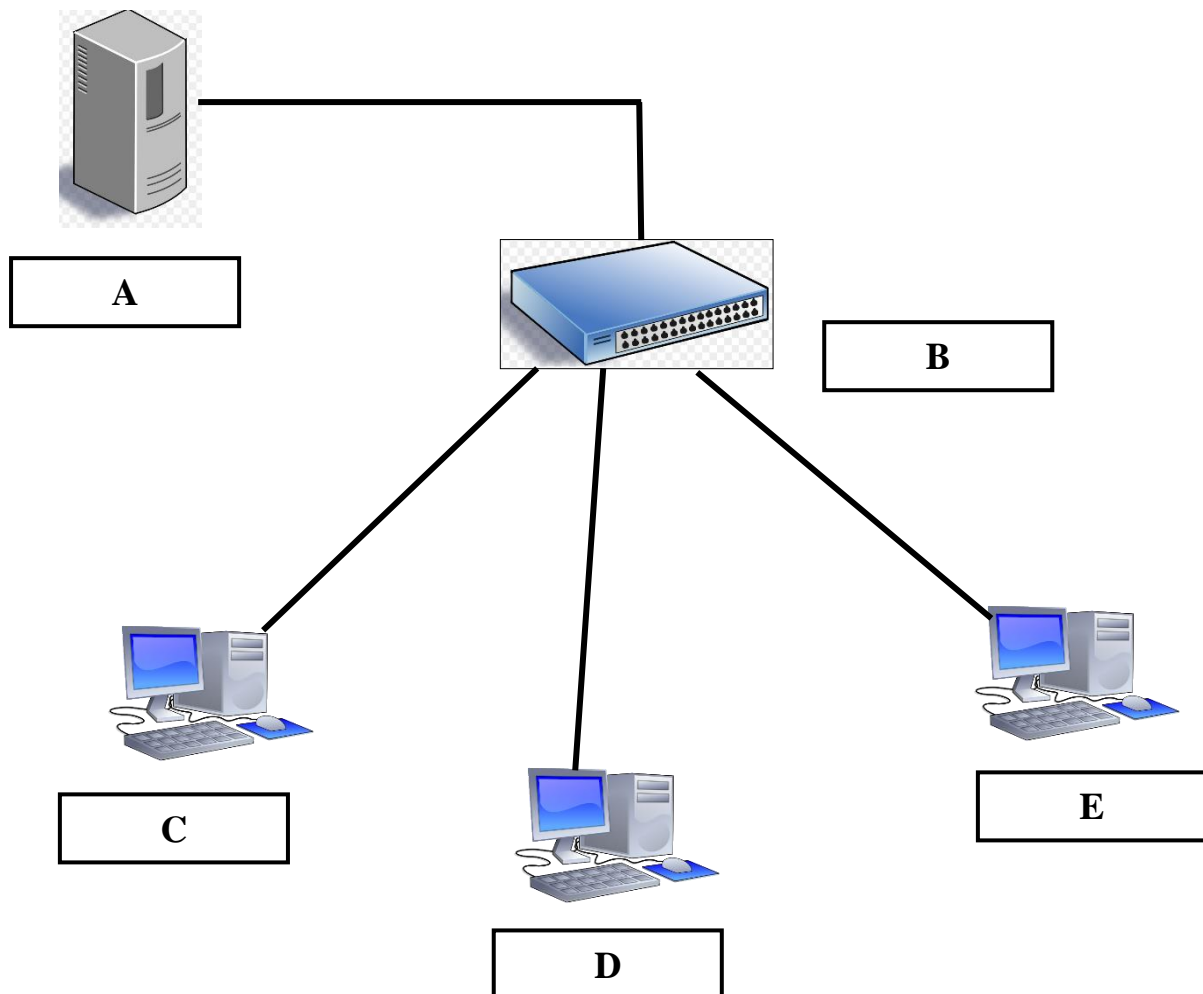

3) Complete the following diagram of the "Types of Network "

```
                    Computer
                connection types
                        |
          +-------------+-------------+
          |                           |
        Wired                   ...................
          |                           |
    +-----[          ]           +----[                    ]
    |                            |
    +-----[          ]           +---- Wi –Fi  Waves
                                 |
                                 +----[                    ]
```
