

Provincial Department of Education Sabaragamuwa - Weekly School

Subject - Information and Communication Technology

Week- 3rd week of July

Grade - Grade 9

Prepared by- Malika Rathnayake -R / Pabotuwa MV

- It is your responsibility to review all subjects during this time and engage in educational activities.
 - You will be given a week to complete this task.
 - Study 5th lesson - Computer Networking in the Reading Book and engage in the following activities. (Pages 66 to 74)
 - Prepare your answers or designs as an attached file with your name and grade written in the third week of July-ICT.
1. Create symbols for the 4 media used in the wireless system shown in Figure 5.3 on page 68 of the Reading Book with your home disposable material (you can use any material you like such as dried plant material, newspaper leaves, etc.)
 2. Write 5 devices or instances where data and information can be exchanged wirelessly and wirelessly in your area or on the floor or at home in your exercise book.
 3. Prepare a suitable design for a wall newspaper under the theme “Let's Use Computer Networks for Resource Sharing and Communication.” (See page 71 of the Reading Book)
 4. Create a poem / story / picture based on your favorite part of the computer networking lesson.
- (Get the help of an adult if needed for the above activities.)
