

Department of Education-Sabaragamuwa – Week School

Subject-Information and Communication Technology

Week- **Third week**

Grade 9

Prepared by- A.A.P. Wanasingha / R/Pothupitiya M.V.

- It is your responsibility to engage in academic activities while doing all the revisions related to every subject.
- You are given a week to complete this activity.
- Prepare a separate folder and attach your activity document after renaming it as **“Third week – ICT – Your name and Grade”**.
- Refer 76th – 83rd pages in “ICT and Society” lesson in the reading book for answering.

01. Make a list to show the uses of computers and Information Communication Technologies and their services.
02. Because of Covid – 19, the health sector has taken more attention these days. Make a list to show the use of computers and Information Communication Technologies and their services and the peripherals (machines) in the health sector.
03. Because of Covid – 19, our education system has turned to an Online Education system like other countries in the world. Write separately the advantages and disadvantages of Online Education.
04. List out e-waste that can be seen in your house and your surrounding.
05. Write down some of the places in the country that collect e-waste. Collect information from books by talking to adults, or by collecting information using the Internet services.
06. Read newspapers/magazines and by talking to adults to find available opportunities for Information Communication Technology related careers and write down them.
