

## Department of Education Sabaragamuwa Province – Weekly school

Information and communication Technology

Week - 12

Grade 8

Prepared by E. Anjali Sandareka  
R/Emb/ Andoluwa College

- Complete the following activities which are related with second unit in your text book. ( Page 15 - 33)

01. There are two types of troubles we experience often when we work with the computer. What are they?

02. Write down the examples for above mentioned each trouble.

03. Give the possible solutions to each of the problems mentioned in above (02).

Problem	Solution

04. Complete the activities 2.4 and 2.5 in your workbook.

05. Draw / paste diagrams of the ports that connect other external devices to a computer and state the uses of each of them.
