Reproducing sounds heard in the environment making use of body sounds and improvised instruments.

Things you need: - Improvised Instruments.

Step 1:- You should go on a nature walk around your home or school premises. when you walk you should be silent and should be sharp in observing sounds.

Step 2:- Draw a picture of the places you visit.

Step 3:- Imitate and Reproduce the sound you heard in the different places using your body and improvised instruments.

Step 4:- Draw a pictures of birds and other insects that make various sounds and try to connect sounds with the relevant picture. Try to imitate the sounds making use of improvised instruments. If possible record the reproduced sounds and listen to them.
