## LESSON 1

Indicates the location of selected locations from the school

Study page 8 of the textbook carefully.

1.

- **a.** Complete the following plan regarding the location of special places around your school.
- **b.** Outline the distance from the school to those places.
- **c.** Design a plan.

2. Write five sentences about the location of the school based on your school map. (If possible, study the school map from the Internet.
