

5.3 Flow Chart

A flow chart is a graphical representation of the steps of an algorithm. Here, unique symbolic symbols are used to represent each action.

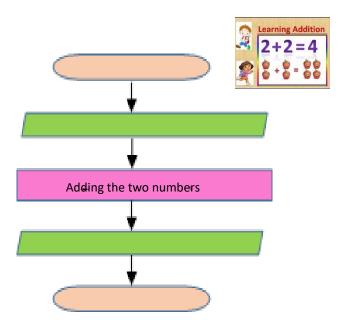

Answer with lesson 5 in the reading book.

• Complete the table below.

	Name	Symbol	use
1	Start / end		
2	Input / output		
3	Process		
4	Decision		
5	Flow Line		

Fill in the blanks in the flow charts below

Find the sum of two numbers

Find the perimeter of a rectangle
