

Sabaragamuwa Provincial Department of Education – Weekly School

Grade 10

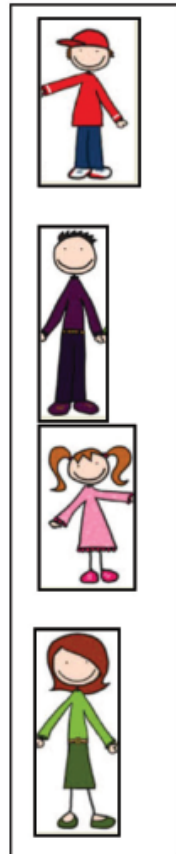

Information & Communication Technology

D. S. D. Ariyapala - KG/Dehi/ Pallekanugala K.V

Competency 1 : Investigates the place of the computer in the world of information.

Competency Level 1.1 : Investigates the computer as a system for converting data into information.

- 1). What is data?
- 2). What is information?
- 3). Study the example below and write 2 more examples that are suitable for accurate identification of data and information.

When we take each image separately, it does not convey a meaning. But when properly arranged as on the right hand side, one can understand these are the members of one family.

Figure 1.2 - Family

Figure 1.1 - Human figures
